

A Statistician's Guide to Finding a Job

The Critical Values

Saul Argueta, Christian Corrales, David James, Kenny Lov and
Teia Noel

Where can we find jobs with a high supply to demand ratio?

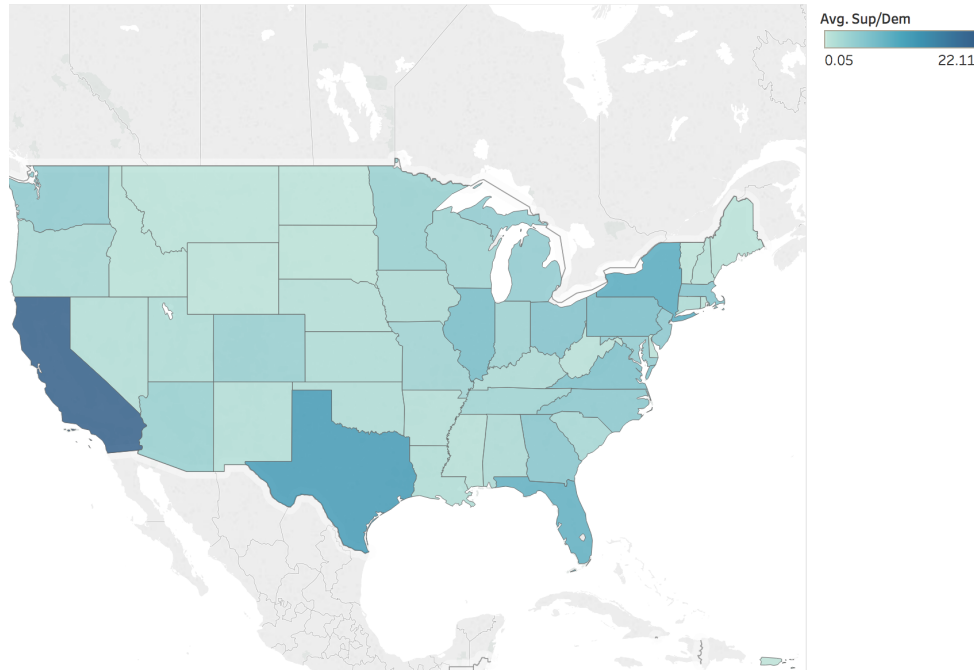

Demand: # of clicks per day

Supply: # of occurrences for “normTitleCategory”

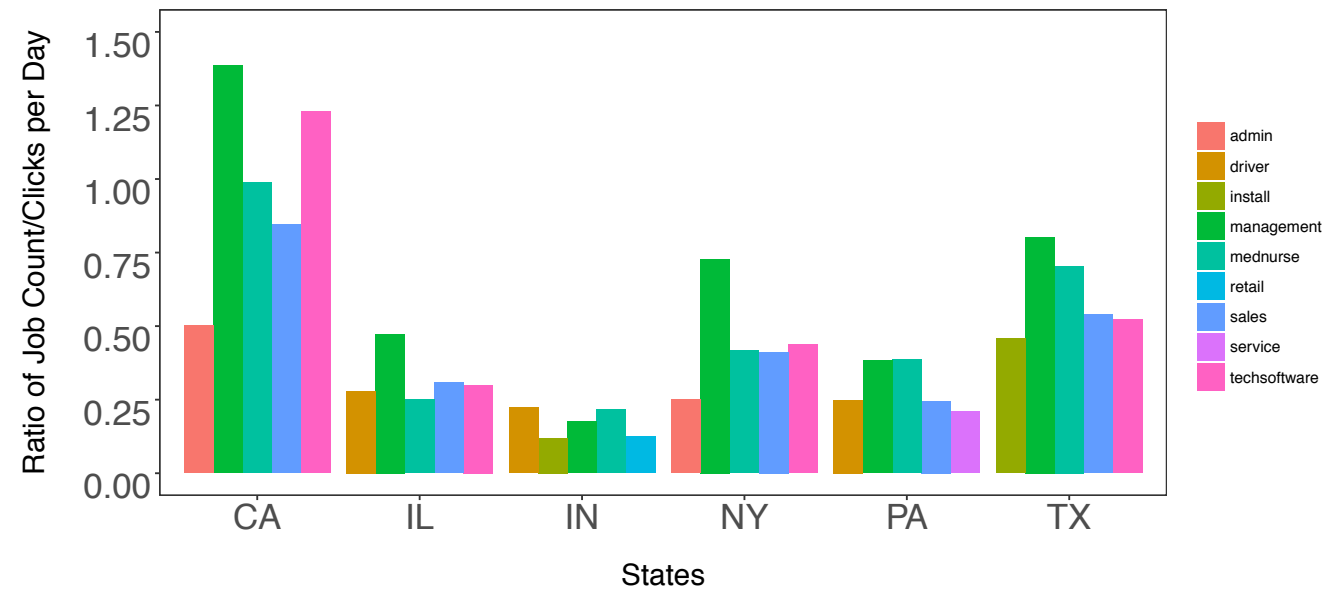

Supply

Demand

Average Supply/Demand per State

Highest Supply versus Demand Ratio For States by Job Category

Why do certain job categories have high supply and low demand?
